Letter No. 150

Mar 27

Dated 10th September 1908

A memorial was addressed to H H the Maharaja by Subba Bhatta & certain others complaining that puja services are not being regularly performed and that the temple servants have not been paid their emoluments for the last two years. Similar complaints to H H have been made by Achala Venkatayagi. The Deputy Commissioner who was asked to report on the truth of the allegations.

that the complaints are well founded and that he will send up early proposals for the revision of the scale of establishment of the temple under which it is hoped that regular disbursement of the pay of the temple servants and a better scrutiny over their work will be secured - In the meanwhile the Dy Commr states that the bill for the pay due to the servants of the temple for the year 1906-07 has been passed and that for the year 1907-08 will be also ~~be~~ passed as soon as it is received -

It is reported that the practice till now has been to make out the pay bill after the close of the year and submit it for pre-audit - As this arrangement is found most inconvenient for the poorly paid temple servants the Assistant Commr in charge of the Sagar ^{has} recommended to the Dy Commr the payments being made ^{on} monthly

bills audited by the Deputy
Commr. He has also submitted his
proposals for remedying the
unsatisfactory manner in which
the daily services are rendered in the
temple.

due for 18 months may be ordered to be paid

There are two questions to be decided

The first is the disbursement of the chaus every
month instead of once a year as at present.
The present arrangement causes much inconvenience
as stated in the B.S. Com. Ltr. No. (Serial No. 5)
This also is the cause of the complaint by the Zafra
Sera - The other is to decide that an an-
nual payment of is more honorable than a
monthly payment of a sum of Rs. (Serial No. 7)

I think it is necessary to decide ~~annually~~
monthly payment of Rs. 5 in the case of the Zafra Sera

The second question is the revision of the B.S. Com.
As noted by the office the adoption of the B.S. Com.
recommendation might give room for complaint
of the Dyabkian for it is the same as at present.

I thought that by a local enquiry I might be able to
offer some suggestions for the final decision
of the subject and so submit the file. It
however the B.S. Com. are waiting for payment
it seems here that the only either sanction the
existing or make alterations as specified below
which cannot cause any hardship.

Sir,

Reference.

Your docket N^o. 646 dated 16th August
1908 forwarding for report Memorial, Regis-
tered N^o. 64/385 dated 22nd July 1908 from
the archak and others of the Ikkeri temple
received with the Murugai Secretary's docket,
N^o. 519 dated 30th July 1908

I have the honor to state that the mem-
orialists represent that they have not
had their pay for 2 years and that the ser-
vices in the temple do not take place
properly.

As regards the first point, viz., the non-
disbursement of pay to temple servants

For 2 years, it would appear from report N^o. 178 dated 16th August 1908 from the Amildar of the Nagar Taluk, that the salary bill of the temple servants and upadhivantas for the year 1906-07, which had been submitted for audit on the 18th of February 1908 having been returned with certain objections with District Order N^o. 288 dated 18th June 1908, the same has again been resubmitted to the District with Amildars Stilla N^o. 44 dated 15th August 1908; and that the salary bill for the year 1907-08 is under preparation and will be submitted in due course. The report of the Amildar referred to together with its enclosure is herewith submitted for information.

It is clear from the Amildar's report that the temple servants including upadhivantas have not received their pay for 2 years viz 1906-07 and 1907-08. The usual practice being to make out the pay bill after the close of the year and submit the same for pre-audit, I have found that there has been always considerable delay in the disbursement of pay. As this arrangement is found most

inconvenient for the poorly paid temple servants I have in the proposals submitted in this office letter N^o. 95 dated 3^d. Aug. 1908 recommended the payment being made to these servants on monthly basis audited by the Deputy Commissioner.

The Amildar of the Zailoh has been directed to submit the pay bill for the year 1907-08 without any further delay.

Next as regards the unsatisfactory manner in which daily services are rendered in the temple, I am convinced that this complaint is well founded in truth. I have therefore submitted in my letter quoted above proposals to remedy this defect.

The memorial received with
the same is returned herewith.

I have &c

115-08-6 dated 28th June 1906 re the proposals for revising the scale of establishment of the Sri Raghoreswaraswamy Temple at Ikhera in the Sagar Taluk, I have the honor to state that the officers proposed to be done away with have actually become vacant owing to the death of the original Upadiwantes or other cause as will be seen from the remarks made in the scale of establishment herein enclosed. There is no objection for making the payments to the Brahmin servants N^{os} 6, 7, 8, 9 monthly, instead of annually, as suggested in para 2 of the docket under reply; but the Sub-Division Officer reports that these people do not like the idea of receiving payments of small sums monthly.
